

Four out of five safety seats are installed incorrectly.
Is your seat one of them?

Car Seat Safety Inspection

Call for an appointment:
(508)-669-6611

@

Dighton Fire Department
Station 1
300 Main Street

Parents, you can receive professional instruction on how to
install your child's car seat.

Talk to certified technicians about safety seats, booster seats,
seat belts and airbags.

Be sure to bring your child with you, if possible!

Sponsored by the Dighton Fire Department,
Funded through a grant from the
Massachusetts Department of Public Health
